EXCLUSIVE! LACUNA COIL CRACKING THE 'KARMACODE' ★

rock sound

MUSIC WITH ATTITUDE

The background of the cover features the four members of the band Bullet for My Valentine. The central figure is lead singer Matt Tuck, wearing a black leather jacket with 'EM' and 'FEX' on it, and a black leather choker. He has long black hair and is looking upwards. To his left is another band member, and to his right are two more. The overall aesthetic is dark and heavy metal.
